📸 VISION SCREENING PHOTOGRAPHY CHECKLIST

ALLOWED

- [ ] **Over the Shoulder:** Photographer stands behind the Lion volunteer (looking at the child's back).

- [ ] **Back of Head:** Child looking at the vision screener (face not visible).

- [ ] **Equipment Only:** Close-up of the Spot Vision Screener or "I Got Screened" stickers.

- [ ] **The "Crowd":** Wide shot of the room from the back (no distinct faces).

STRICTLY PROHIBITED

- [ ] **NO MEDICAL DATA:** Never photograph the screen if it shows "Refer," "Pass," or numbers. Wait for the smiley face or blank screen.

- [ ] **NO NAMETAGS:** Check that the child's nametag is not readable in the photo.

- [ ] **NO BACKGROUND DATA:** Check the wall behind the child for class lists or personal info.

BEFORE YOU POST

- [ ] **Zoom In:** Check the photo one last time—can you read a name on a shirt or wall?

- [ ] **Generic Captions Only:** Never write "This is [Student Name]." Use "Great screening today at [School Name]!"
